What's going on? Why is there a newsletter in the middle of the month? Easy answer: The Pinewood Derby. From the eyes of the Cub Scout, the Pinewood Derby is the highlight of the entire Cub Scouting experience. You get to build a car, you get to paint a car, and you get to race a car. I still remember my Pinewood Derby from when I was a Cubby, and I still have my cars!

For this years Pinewood Derby we are doing a big "fundraising" push to see if we can raise some money towards our own Pinewood Derby track. We are very grateful to KBC for allowing us to use their track, and still it will be really nice to have our own track that Cub Scouts in our Pack can build their own fond memories on for year to come.

If you need some help with your Cub's car, we will have one more "clinic" this Tuesday for you to stop by and check your car. You can also ask questions and get some construction tips. And don't forget, if you're enjoying making these cars; anyone (including our Little Scout Buddies) can enter the Pro Modified Class!

I look forward to seeing everyone's cars and excited faces on Sunday!

Yours in Scouting,

John Kiernan

KNOW?**

100%

Pack 567 needs to buy our own Derby track

...

Bring your wallet...check the chair cushions for change...empty the cup holder in the car...check your pockets for that missing \$20 bill.

Why should you? Well, Pack 567 needs to buy our own Pinewood Derby track and we are using ALL the proceeds from the donation raffle tickets and the profit from our concession stand. We need to raise at least \$1500 so we can purchase our own track. Please help us by supporting your Pack.

TRACK FUNDRAISING

* Pinewood Derby tracks are expensive but Pack 567 will have this track for many years. Just think of all the Scouts that will race their cars...

Very Cool!

2009 FRIENDS OF SCOUTING CAMPAIGN

FRIENDS OF SCOUTING
Change a life...
[Donate to Scouting](#)

It is that time of year again when we start thinking about paying our commitment to Scouting forward to the future.

Friends of Scouting is the Council's annual fundraising campaign. I won't go into great details, but let's leave it here... 85% of the funds raised through FOS directly impacts the Scouting program.

Summer Camps, Day camps, Staff, and up keep of properties... we get to see, touch, and take advantage of everything our FOS dollar pays for.. Now that is return on the Dollar.

A Scout is Helpful. We all should take that to heart when making our FOS contribution.

A Scout is Thrifty. We all need to remember that when making our FOS contribution in that we all help pay our way in Scouting.

FOS does this and more.
